A Bible story on Sunday	A book about sports	Under the stars	In a fort	A book based on true events
To your pet or stuffed animal	In a comfy chair or rocker	Add up extra minutes for total of ONE hour	At the library	On a carpet with headphones
Under a tree	At the breakfast table	In your bed	A book with an animal	On a car, bus or plane ride
A joke book	On a blanket in the grass	An adventure story	A poem	On a device or e-reader

Have a super summer by finding creative ways to get your reading in! Each box represents 15 minutes of reading time. For each activity accomplished, add a stamp on the box until you have a complete 'blackout' Bingo card. With the one-hour center square, you will have reached 7 hours total for the summer!

Don't forget to take pictures of yourself reading in a few of the fun activities, 1-3 would be great. Send them to Mrs. Moore at lmoore@pearlprep.org so she can fill up our giant Bingo card on the school bulletin board.
